Powerful & Portable Cooling

The combination of the fan and cool fog offers instant relief from the heat. This Fog Fan is the greatest balance of convenience and effective cooling available. It can be used to cool outdoor parties, weddings, sporting events, work crews, BBQ's, concerts, etc. The unit includes a 15 gallon tank, 1000 PSI pump, filtration, nozzles and fog ring, pre-programmed settings for water conservation and adjustable height.

Model #	Pressure Rating	Tank Capacity	Voltage	Amp Rating
81456	1000 PSI	15 Gallons	110 V	5.7
